

HHOVV RESPITE PROGRAM

Our Respite Care program offers temporary relief to family caregivers by providing professional, compassionate care for their senior loved ones. This service allows caregivers to take a much-needed break, knowing that their loved ones are in safe and capable hands. By supporting caregivers, we help maintain the overall well-being and stability of families in Southern Nevada.

Program Details

- The services provided are offered at no cost to eligible clients residing in Clark County, Nevada.
- Services covered by the respite program include:
 - Facility Overnight Stay: Short-term accommodation in a facility to offer a respite from caregiving.
 - In-Home Care: Services encompass personal care, companionship, and homemaking tasks.
 - Adult Day Care: Supervised activities and socialization opportunities are provided.

Eligibility

- Eligible individuals must provide proof of age, serving those aged 60 and above or individuals with Alzheimer's or dementia.
- Both the caregiver and the patient must present a Nevada ID and proof of residency.
- Completion of the Registration Form

Client Requirements

- Respite Care services are accessible to approved and assessed clients aged 60 and above, or those of any age with dementia or Alzheimer's.

Program Rules

- Each enrolled client is allocated a 90-day period to utilize the voucher; unspent funds will be returned to Helping Hands of Vegas Valley for reallocation to another client.
