

HHOVV SENIOR MARKETPLACE PROGRAM

We provide a dedicated space where older adults can access a diverse selection of nutritious and appetizing food items customized to their dietary requirements and tastes. Our objective is to establish an inviting and all-encompassing environment where they can confidently select options that enhance their health and overall wellness. Through the implementation of this open pantry concept, our aim is to foster autonomy, promote social engagement, and guarantee that each person has the necessary resources for optimal well-being.

Program Details

- The services offered to our clients incur no cost.
- Clients are welcome to shop once a month during our operational hours.
- Clients should be prepared to wait outside, as wait times may vary and are dependent on the day and time, with no exact prediction available.
